It's official. The Prairieville school is moving!!

Construction has begun in the new location at 17424 Airline Hwy at the Oak Grove shopping center. It's located next to the Italian Bowl Restaurant. (where the frame shop moved out.)

This new space will give some much needed space to students and parents. It will have many of the features of the Baton Rouge school: benches with shoe cubbies and storage; a changing area, a water fountain, and a real office area. Most important the training area will double in size!! Yea!!

The final class date at old location is March 29, Sat. The school will be closed March 31 to complete moving. COME HELP US!

CLASSES BEGIN APRIL 1 IN NEW LOCATION.
