## Scheduling Key

**Check-in-time:** means that you will need to arrive at the tournament and get yourself oriented. **(This is when you need to be here)**

**Staging Time:** At this time all competitors in your group will be called to a staging area where roll will be taken, the rules will be gone over for the events, and to make sure you have the required gear to participate. You will then be led out to your ring. **(If you miss staging you may miss your event)**

**Start Time:** Your event start time is approximate. This will allow us to start rings early if others before them finish quickly and will allow for maximum efficiency. **(If you missed your check-in-time and you miss your staging time, YOU are late and you may have missed your event.)**
