REMEMBER OUR PROMISE TO YOU:

HOLIDAY: Lynx Black Belt Leadership Academy will operate a minimum of 48 weeks per year. 7 to 14 Days holiday may be taken between the months of July and August, 7 to 14 Days holiday may be taken during Christmas and the New Year at the academy's discretion. **"Our promise to you"** is to service our students no matter how long it takes to achieve a black belt. A student can return to our school at any time to complete their martial arts training program. We will gladly transfer a student's martial arts leadership training program to an approved school due to relocation. If a student misses class due to illness, holidays, injury, school or work commitments, we will help a student catch up with extra lessons, offer mini private lessons at no additional cost or add more time to a student's training program. **For a student to maintain this benefit** - None communication will lose the benefit of our "Promise to you" – The Master Instructor will help each student keep on track with their martial arts leadership training.

Congratulations! To all students who received awards in December at the academy presentation and thank you to all sponsors who helped to make this spectacular event possible.
