5-Time Utah State Champions!!

Thank you for your hard work, huge efforts and dedication to keep us the TOP SCHOOL IN UTAH!! We earned a total of 90 medals; 54 Gold Medals, 24 Silver Medals, and 12 Bronze Medals. Congratulations to all AMYS Competitors for keeping us #1!!! Thank us the State Champions for the 5th year in a row, making us the best school in Utah. Congratulations to all students who classified to go to Nationals, which will be held in July in Texas. **You were all AMAZING!!!**

★ Miss Samy is Awarded National Collegiate Champion

Miss Samy did it again! She got a **GOLD** medal at the 40th National Collegiate Taekwondo Association (NCTA) National Championships over Easter Weekend at the University of Delaware. Miss Samy had 4 difficult matches to win the top spot as the Finweight team member for the US Collegiate National Team, a title she has earned and defended for the past two years. She successfully accomplished this and won the match with a knockout! Later at the awards ceremony, Samy was named NCTA's **Female Athlete of the Year**.

This year, the US Team will be traveling to Gwangju, Korea to compete in the 2015 Summer Universiade, also known as the World University Games. This international multisport event is organized for university athletes by the International University Sports Federation (FISU), and serves as a stepping stone towards the Olympic Games.

★ Master Amely to Officiate at World Championships

Master Amely is one of the most outstanding referees representing the USA. Not only was she appointed to represent the USA at the Pan American Games in Toronto, but she has also been invited to officiate at the World Taekwondo Championships in Russia. Master Amely is one of the youngest American referees and the one with the highest accomplishments in Utah.

★ Congratulations Master Melany Moras

Master Moras traveled to Korea last month to train and test at the Kukkiwon. Kukkiwon is the World Taekwondo headquarters. She trained for a couple days with head instructors prior to testing for her 6th DAN.

"Testing at Kukkiwon is one of the hardest tests I have ever had to do. You are tested on the spot and no mistakes are allowed."

Master Moras is also graduating with her Doctorate in Electrical Engineering from the University of Utah this May.

Congratulations to all three of our AMYS Head Instructors for being such amazing role models!!

Orem Events
