

At the Academy of Martial Arts we teach our students the importance of a positive and responsible attitude. We hope that this upbeat attitude is not confined to the Dojo alone but extends to the social environments found at home and school too.

If you could please take a moment to let us know how your child is performing outside of the Dojo we would greatly appreciate it. Feel free to review and discuss this evaluation with your child and then send a copy of this to us at [milton@amadojo.com](mailto:milton@amadojo.com)
