

# Energy Martial Arts Academy

A Journey of Inner Power

## Extreme Samurai Sword Contest!

**When:** Starts Friday, June 15 and ends Friday, September 14.

**How it works:** With every class that our great youth Martial Artists participate and work hard in, they will receive a ticket for the draw.

- If youth students attend more than one class or open practice a day, they will receive multiple tickets! (Regular classes, weapons and sparring classes, open practice all count.)
- Attending camps? Campers receive one ticket for the morning and one ticket for the afternoon, for every day of camp attended.
- TNT? Youth earn a ticket for every session, both practicum and class.

Students are asked to keep all their tickets in a safe place (tickets are numbered and the winning ticket will be identified by the ticket number.)

**Draw date:** The draw will be held on Saturday, September 15 and an email sent out to our mailing list with the prize number. Please be sure your email is up to date!

**Prize details:** Each Academy will have a different draw for different Samurai Swords. Winning tickets must be redeemed for the sword by Monday September 18<sup>th</sup> at 8pm. If no winning ticket is brought forward, tickets will be drawn until a winner claims the prize. Swords will be given to the parents of the winning youth student (for safe keeping).

## Freezy Fridays & Saturdays are Back!

Starting Friday June 22, youth students who come in and work super strong will receive a Freezy right before they leave to go home. Every Friday and Saturday Freezies will be offered until Saturday, September 8. Only one Freezy per student, per day. We ask that all students receive verbal permission from their parents before they eat a Freezy. ☺
