

Adopt-A-Spot Program for a Clean Claremont

Adopt-a-Spot Program gives citizens, non-profits, businesses, and other organizations the opportunity to show pride in our community.

This program:

- Reduces litter along roadways and park systems
- Builds community support for anti-litter and roadway beautification programs
- Educates the public about proper disposal of litter
- Enhances the environment and beautifies Claremont parks and roadsides
- Offers groups a project that gives its members the satisfaction of making a contribution to their community. At the same time, it generates publicity for the group's service activities.

Adopt-a-Spot volunteers will spruce up designated areas throughout the city by removing litter and debris, controlling weeds, planting trees and other plants, mulching, and identifying and eliminating hazards.

WHO CAN PARTICIPATE?

This volunteer program encourages individuals and established groups to improve and maintain our parks, trails, road sides and open spaces. Local businesses are encouraged to join the Adopt-a-Spot Program and receive recognition for their stewardship of the environment. Your group or organization can beautify our City. Join us and help make a difference in our community!

- Scout troops
- Youth groups
- Businesses
- Environmental organizations
- Community groups
- Schools/school clubs
- Families
- Church groups
- Sports teams
- Individuals
