

More Details on FCT Reopening & Summer Camp Waitlist: Lots of Info - please read entire message

We are excited to resume Martial Art Classes and kick off the 2020 Summer Camp on June 1, 2020.

Over the last week, we reached out to all our students to discuss our re-opening (however, we had to leave messages for many families or the number on file was not working. If we did not speak with you, please check your voicemail and email. If you have new contact information, please email it to us at FCTfrontdesk@hotmail.com.)

We will practice social distancing. However, given the nature of what we do, it is inevitable that students will come into some contact with each other. We are taking every precaution we can to provide a safe environment for your family. The following are measures being taken at FCT:

- All of our martial art students will be provided a pair of Taekwondo Kicking shoes free of charge to utilize in classes. These shoes are machine washable.
- We are temporarily lowering class capacity, until restrictions are lifted.
- Students will be allowed to bring a drink with a lid onto the dojang floor and a personal hand sanitizer to be kept in the student's individual area. (The water fountain will not be available until further notice).
- The class structure will be different to comply with guidelines and to help facilitate distance between students.
- All will be asked to sanitize their hands coming in and leaving FCT
- All should maintain safe social distance and hygiene practices while at FCT
- The viewing room will be limited and encourage parents/guardians to stay in the car.
- We will sanitize bags, equipment and high frequent areas after each class as well have increased sanitization practices throughout FCT on a daily basis.
- If you are experiencing or have experienced within the last two weeks a cough, runny nose, or difficulty breathing, please do not attend class.
- If you or anyone in your family has traveled outside of the US and/or cruised in the last two weeks, please do not attend class

As a reminder, for our **Taekwondo students**, there will be NO COST for training during the month of June. (If you want to make a payment, it will be considered a tax deductible donation). We understand that all families have been impacted differently during these uncertain times. Monthly payments will resume in July on their scheduled days. All students are required to complete a new waiver prior to participating in class.

An electronic version of the waiver can be completed at:

For our **After School Program students**, we regret the school year has ended this way. Once we know when school will resume in the fall, we will open up our After School Program registration for the fall. Our After School Program students can receive one of the following options: Option 1 - 50% off Taekwondo Tuition for the month of June and July (\$59.99 per month for Taekwondo classes during the summer) or Option 2 - a FREE week of After School Program Tuition when school resumes in the fall with enrollment.

Our **Summer Camp** is limited to only 15 to 25 students this summer. As such, we are only accepting full time campers due to guidelines this summer. (The governor did allow summer camps to operate but camps are still limited in numbers to allow for social distancing, etc.) Our goal is for our campers to have the BEST SUMMER EVER! We have secured Summer Passes to TopGolf for our campers and are working to obtain additional passes to possibly the water park, trampoline park, etc. The first 15 spots have been taken and there is a wait list if we are allowed to open up additional spots. If you would like to add your child's name to the **wait list**, please complete the wait list form at <https://www.emailmeform.com/builder/form/XnLdkm6rz90qGS> (If Ms. Isabel informed you that your child has a summer camp spot, you may register for camp at <https://www.emailmeform.com/builder/form/6y76oMJ6Q0fp6z23f>).

Snacks bags will continue to be provided to our families and friends until the end of June.

We look forward to seeing everyone again. All our families continue to be in our thoughts and prayers daily. If there is anything you need, please let us know. To reach us, please email us at FCTfrontdesk@hotmail.com.

Best regards,

Thomas and Isabel Ford
