- This year in honor of Seiei Nakaza we will be presenting the NAKAZA CUP. This award will be given to the school who generates the most points during the tournament. For each 1st place medal we will award 3 points, each 2nd place medal 2 points, and each 3rd place medal 1 point. The points will be totaled at the end of the event and the school with the most points will received the NAKAZA CUP. This cup will reside with that school for one year.
- All kata performed must be from Kiyobukan curriculum (Passai and above).
- Two at a time “Flag System” for judging will be used (red & blue) in junior divisions. In adult divisions, competitors will perform separately then be called back up for flag scoring.
