Dear Applicant,

Elite M.A. Centers is currently accepting applications for Internships for the summer of 2021. Please review the information below if you are interested in applying for a position with our camp.

Program Overview:

Our Internship Program allows individuals the opportunity to intern in our summer day camp program and learn valuable skills in leadership and teaching. If selected, interns will be assisting our staff in daily activities for children ages 6-13. Interns will receive opportunities to develop organizational skills, interpersonal skills, public speaking, group management, assisting with Tae Kwon Do, and other topics.

Selection Process:

Interns may submit applications to Elite M.A. Centers beginning in February. Interns will be selected on the criteria of age, rank, experience, and character. The number of interns selected for the program each year will be based on the summer camp program's needs. Please refer to the Internship Program Requirements list for more details.

Hours:

Depending on the program's needs, Interns may be scheduled for any days during an available camp week between 8:00am and 6:00pm. We will work around your schedule as long as it can fit into the programs' hours. Interns are responsible for their own snacks and meals throughout the day.

Compensation:

All internships with Elite M.A. Centers are unpaid. The program will allow you to use any interned hours toward school (or any other institutional) requirements for volunteer hours or community service hours. Completion of an internship or internships does not guarantee employment opportunities with our centers.

Please see our office staff for an application if you are interested in applying. Return the completed application as soon as possible to guarantee your application is eligible for review before all positions are filled.

Sincerely,

Cung Tran

School Director
