#### Coaches note:

1. Degree number (i.e. C-1-1234) is **NOT** acceptable
2. The International ID number does not change as a competitor moves up in rank. If their number is 123456 as a 1<sup>st</sup> Dan Black Belt, it will also be 123456 if they are promoted to 2<sup>nd</sup> Dan. Therefore, if they recently have tested and do not have their new card, they can obtain their number from their old wallet card.
3. For competitors who have recently examined for 1<sup>st</sup> Dan Black Belt rank and have not yet received their new wallet card, please request the ID number from Ms. Mazzei at [ctfihq@gmail.com](mailto:ctfihq@gmail.com).

#### Instructor Check-in:

All instructors or coaches must report to the tournament check-in and pick up the dobok stickers for their competitors and coach passes. Instructors are responsible for making sure competitors have these stickers on their dobok as proof that they are registered competitors.

Instructor/Coach Check-in will be available on Friday May 17, 2024 at the host hotel from 4-6 pm and at the tournament venue on Saturday May 18, 2024 from 7:30 – 8:00 am.

All Black Belts, all ages, must be certified with ITF headquarters. When using the on-line registration process, there will be a space for providing the Black Belt ITF International ID number (see above).

Recently promoted 1<sup>st</sup> Degree Black Belts may not have received their certification cards yet, so Instructors must check with CTFI HQ (Ms. Mazzei) to request that number.

**All Black Belts must show their ITF Black Belt registration card at the Weight Check/Check-in (see below).** A photocopy of the Black Belt certificate showing name, rank and date information as well as the name of the ITF President is acceptable. Any Black Belt without appropriate proof of certification in the ITF will be disqualified with no refund of event fees.

**Canadian Coaches Note:** Seeding points for the Canadian ranking system will be awarded regardless of which category the athletes compete in. Refer to CTFI Team Manual for full details of CTFI Ranking system.

### Weight Verification:

All Black Belts (all ages) must have their weight category verified at the weigh-ins. Weigh-in procedure will follow ITF World Championships rules. A clothing allowance of 500 grams will be applied.

Senior	age 18+
Super Senior	age 36+

***Note: Black Belts age 36+ may choose to enter the Senior Age 18+ category. This will result in a higher entry fee. Categories for Black Belts age 36+ may be merged if there are less than three competitors.***

#### **Valid Age for Category:**

The valid age for all Pre-Junior, Junior and Adult Black Belt competitors during the competition is the age at which they enter the year. To calculate this age, use the following formula:

$$\text{Year of competition} - \text{Year of birth} - 1 = \text{Competitors valid age during the competition}$$

#### **Examples:**

1. Year of event 2024 - Year of birth 2006 - 1 = 17  
This Competitor is only allowed to compete as a Junior
2. Year of event 2024 - Year of birth 2005 - 1 = 18  
This Competitor is only allowed to compete as a Adult
3. Year of event 2023 - Year of birth 2011 - 1 = 12  
This Competitor is only allowed to compete as a Pre-Junior

#### **Canadian Black Belts Only - Competing Up:**

Exact circumstances under which “Competing Up” is allowed for Canadian Black Belts are detailed in the current CTFI Team Manual, which is available on the “Resources and Downloads” page of the CTFI web site (refer to Appendix A). “Competing up” is only allowed for Individual Patterns, Special Technique, Team Patterns and Pre-Arranged Sparring. Coaches must register competitors for their normal category, then make an email request to the Tournament Director to compete up. Please note the Age Qualification rules and categories listed above.

### Colour Belt Age Categories:

Minimum age is 6 years old. As per CTFI competition rules, the appropriate age division for all competitors will be determined based on the age of the person on the first day of the Tournament – May 18, 2024. Please note that Colour Belt age divisions with less than three people may be merged with other groups. Best effort will be made to create categories that are close in rank, age and, for sparring, size.

## TOURNAMENT RULES:

All events at this tournament will follow the Canadian Taekwon-Do Federation International (CTFI) Rules for Coloured Belt Competition and the International Taekwon-Do Federation (ITF) Combined Competition Rules and Regulations. This specifically includes the CTFI Rules for Light Contact Free Sparring.

Copies of these rules are available on the CTFI website under the “[Downloads and Resources](#)” section.

Special additions to the rules are as listed below:

### Patterns

#### Individual Colour Belt Patterns:

Colour Belts will perform 1 optional pattern simultaneously with another competitor. Competitors may perform the pattern of their rank or the pattern immediately below their current rank to accommodate recently promoted students. Coloured Belts may not perform any pattern above that of their current rank.

#### Individual Black Belt Patterns:

**COACHES NOTE:** *At this event, CTFI will be implementing the new ITF rules for Black Belt Individual Patterns where competitors enter the ring together and then perform patterns separately. This will apply to all age categories.*

*This means that the athletes will perform their patterns ONE AT THE TIME: First RED with the first designated pattern, then BLUE with the first designated pattern. Next, again only RED with the second designated pattern and finally BLUE with the second designated pattern.*

Black Belts Pre-Junior, Junior, Adult and Senior will compete 1 to 1 and will perform **separately** two (2) Designated Patterns appropriate to their degree. The first designated pattern will be one of the last three patterns regarding the level of degree. The second designated pattern is from pattern Chon-Ji to the level of degree.

Black Belts Cadet and Veteran will compete 1 to 1 and will perform **separately** one (1) Designated Pattern chosen randomly from one of the last three patterns regarding the level of degree.

Black Belts Senior and Veteran may have categories merged with a different rank. Patterns performed will be for the lower rank of the two competitors in the ring when their competition begins. (e.g. if a 3<sup>rd</sup> dan is matched with a 4<sup>th</sup> dan, only 3<sup>rd</sup> dan patterns will be used, but if a different match in the same category sees 2 4<sup>th</sup> dan competitors, 4<sup>th</sup> dan patterns will be used).

If Veterans are merged with Seniors, they will perform separately 2 Designated Patterns as above.

### Pre-Arranged Sparring

Categories are offered for Black Belt and Blue Belt/Red Belt. Age groups are Pre-Junior, Junior, and Adult+. Standard ITF competition rules will apply to all categories.

Teams may be Female-Female, Male-Male or mixed Female-Male.

### Free Sparring

#### **Duration of matches:**

Coloured Belts	1 round of 2 minutes.
Black Belts Pre-Junior, Junior, Adult	2 rounds of 2 minutes.
Black Belts Cadet, Senior, Veteran	2 rounds of 1.5 minutes

***Note: Breaks between rounds will be 1 minute in all cases.***

#### **Round Robin Competition:**

To improve the competition experience, all Black Belt individual free sparring categories Pre-Junior, Junior and Adult will have the 4 semi finalists fight in a Round Robin format. Categories with more than 4 competitors will see a Single Knockout (SKO) elimination to determine the 4 semi-finalists to enter the Round Robin finals. Normal “byes” will apply in the SKO elimination.

#### ***No seeding based on Canadian ranking:***

Because this is an international event, the normal Canadian Ranking will not be applied to determine seeding in the SKO elimination draws. Random seeding will be applied, then the draws will be managed to avoid competitors from the same club from meeting in the first round.

### *Team Sparring*

If time allows, there will be Team Sparring matches. Sparring Teams will be organized by Coaches/Instructors during the event. Teams must be submitted to the Tournament Director no later than 12pm on Sunday morning.

There are no entry fees for this event. There may be no medals, only a thrilling experience and bragging rights for your Club, Province or Country.

TKD Kids (Tigers, Cubs, Champs, etc. )

These events are designed to introduce students ages 3-5 to concepts of competition even though they are not yet performing patterns or free sparring as part of their current curriculum. Entry in the TKD Kids category automatically gives competition in both of the events listed below.

This will be a mixed female/male category.

NOTE: Competitors age 6+ who are training in the standard ITF Taekwon-Do program should not enter this category. Competitors under age 6 must enter these categories even if they are training in the ITF standard program.

### ***“Kids Patterns” – Single Elimination***

Competitors compete 2 at a time performing simultaneously. They will be asked to demonstrate each of the following fundamental movements that are found in the official ITF Kids Course. Judges will give commands.

1. walking stance middle punch
2. walking stance low block
3. walking stance rising block
4. walking stance front snap kick

Judging will be based on technique and power. The panel of judges will decide by show of flags which player wins and moves on to the next round. Medals will be awarded for first, second and 2 x third place.

Note: The techniques may be demonstrated by a ring council member if the player is having difficulty.

### ***Belt Tag “Sparring” – Single Elimination***

Players will each have 2 flags attached to a belt around their waist. The goal is to take a flag from the other competitor. Each flag captured will result in a single point. Play will be stopped with the capture of a flag to replace the flag and then restart play.

The player with the most points at the end of the round will be declared the winner. Round length: 60 seconds

Warnings will be issued for the following infractions:

- Running away from the opponent
- Falling
- Leaving the ring
- Grabbing or holding any part of the uniform or body other than the flag of the opponent
- Kicking, punching or contacting any part of the body with the intent to cause harm
- Verbally disputing a decision of the referee

3 warnings will result in the loss of one point from the player’s total.

## Adapted Taekwon-Do / Special Needs Categories

The purpose of these events is to give our special needs students a platform to showcase their skills and give them an opportunity to experience competition. All participants will receive a medal for each category they enter.

### 1. Categories.

There are 2 category options each for Black Belt and Colour Belt competitor. You can select 1 or both of these categories when you register your competitor for the event. Participation fee will be \$40 for one category or \$75 for both of them.

#### a) *Adapted Solo Patterns (mixed female/male) – Colour Belt or Black Belt*

For this event the competitor performs the pattern of their choice for their rank. It is to be performed on their own. The pattern can be adapted to their specific needs and abilities but should be easily distinguished as an ITF system pattern.

*Coaching during the performance is allowed by voice and action but the coach cannot perform the entire pattern at the same time with the competitor.*

*Competitors will come up in pairs, but will perform their pattern individually and not simultaneously with another competitor.*

Winners will be determined by judges who are looking for the correct pattern diagram, correctness of technique, and power.

#### b) *Mixed Abilities (mixed female/male) – Colour Belt or Black Belt*

For this event, the competitor performs with a partner of their choice who knows about their abilities and limitations.

The partner will help the competitor display Taekwon-Do and/or Martial Arts skills. Vocal and physical cues may be used. The partner may be anyone including a fellow student, the competitor's coach, instructor, trainer, etc.

Rehearsed or unrehearsed routine is allowed. Competitors & partners may use props such as boards for breaking, or kicking pads and punch mitts.

The demonstration should run a minimum of 45 seconds to a maximum 60 seconds. Timer starts at "Sijak" and ends at "Goman". This timing is a guideline for the performance and not a strict requirement. It is acceptable if competitor deviates by a few seconds either way.

Winners will be determined by judges who are looking for the greatest range of Taekwon-Do techniques and abilities and how well they are performed.

#### Full-Time Umpires:

For complete instructions showing how to create an account and register umpires, see the additional document "Instructions for using Club Account to register competitors, umpires and coaches".
