Our next 2 monthly seminars - (Seminars are optional, however will support your regular curriculum)

January - Korean Seminar **Saturday 25th January 10am to 12Noon** [Click Here To Reserve](#) Celebrating the Korean art and Kick Start your year with a Korean Day, Celebrating the Korean art with history, culture, food tasting and meditation. No seminar would be complete without martial arts and pal Jung do training. This fun educational seminar is designed for family and individuals. Meditation to relax and ease the mind, with martial arts, weapon and self-defence, to aid strength, technique, balance and power. This is an exciting addition to the specialised seminars. **Life Skill Passion**

March - Dynamic Nunchaku - **Saturday 8th March 10am to 12Noon** [Click Here To Reserve](#) The nunchaku was once an instrument used as a bit for horses and was later put to use as a weapon. The nunchaku was constructed of two hardwood sticks which were securely connected by rope braided from horses' tails (today the sticks are tied with rope or chain). because of its innocent appearance the nunchaku could easily be mistaken for a toy or harmless bundle of sticks. **Life skill of the month Communication**
