Dear Parents...

1. please sit down with your child and complete the Evaluation Form (on the reverse side) based on your view of how your child carries him/herself at home, or generally outside the dojo. This form must be completed entirely and to be handed in on exam day

2. Booking your exam and Grading Fees: → Online only

We hope to be able to go as paperless as possible, so we only collect the grading fees ONLINE. Please Book your child's grading and make your payment on The Powerhouse website ONLY (www.the-powerhouse.ca) > Click on "Book Me" on the top Menu, then "Exams" and follow the steps and check out.

3. Belts

Belts also can be ordered on our website under the "Product" tab, up top. Everyone is encouraged to pass their belts to others at lower ranks (but they don't have to) but if you'd like to order a belt through us please place your order ASAP as it takes us a couple of weeks to get some of the belts - esp. L1 striped colours

4. What color belt to purchase?

Not to worry about the 'right color'. We will figure out what color to pick up for your child after their test result is found. Only keep in mind, it may take about a week (maybe even 2) to get the belts. Suppliers do not always carry all colors. We will do our best however to get the belt you need as soon as possible. In case you cannot wait for us to complete your order you can always make a trip to Mikado yourself (701 E. Hastings) and pick up what you need.

5. Homework and/or Assignments

On the day of grading (only), your child is expected to hand in his/her <u>Homework</u> (if he/she was given one) whether fully completed or not. BBC members may have been given an assignment. Assignments are due by the time when your child gets tested. Please ask your child. Was he/she given any assignments

6. Parents attending the grading:

We encourage all parents to attend the grading for obvious reasons, but in case you are busy, not to worry we can complete the exam even if you are not here. In case you cannot come in on the day your child is graded see if you can be there when we hand out the 'results'.

7. Clean dogi and belt

Please make sure your child shows up on the exam day (esp.) in a clean wrinkle-free dogi, with their belt on them. They may not be tested, or get a negative mark, if they show up without the proper uniform

8. Program Guide

If you still don't know how the Exams, Belts or Stripes work, you probably have not read our **Program Guide** that we sent you after enrollment. The PG is also found on the bottom left side of the Home Page on our site. Exams, Belts, and much more important info is found in this guide
